**SUMMARY OF THE REASONS FOR DECISION:**

The computer image file entitled *25) Quantum 20GB Hdd\C\WINDOWS\Temporary Internet Files\Content.IE5\SHUFCHMZ\oni1\_077[1].jpg* is classified as:  
Objectionable.

The computer image file contains a colour photographic image, and was examined as a hard copy printout of the original JPEG file. It is deemed objectionable under s3(2) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act) because it has been found to promote and support acts of torture and the infliction of extreme violence and extreme cruelty. It does this by presenting the cruel and violent treatment of a woman as being sexually arousing and entertaining.

The classification of this publication interferes with the freedom of expression as outlined in the New Zealand Bill of Rights Act 1990, but this is an outcome that is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable. The classification reflects the concern of "a free and democratic society" to limit the availability of publications that promote and support acts of torture and the infliction of extreme violence and cruelty.
